Our Times Update

Published by Pride Community Center of North Central Florida

Gainesville is Ground Zero, Help Defend Our Protections!

PCCNCF IS FIGHTING THE GOOD FIGHT BECAUSE THERE IS NO PLACE FOR DISCRIMINATION IN GAINESVILLE!

Don't be fooled by the scare tactics. Charter Amendment 1 is *really* about discrimination.

Charter Amendment 1 hurts people! It eliminates protections against discrimination and makes it legal to fire someone from their job or kick them out of their home because they are lesbian, gay, bisexual, or transgender.

Charter Amendment 1 takes away the City's power to protect our citizens from discrimination and gives it to the State! It prohibits our local elected officials from banning discrimination based on sexual orientation, gender identity, veteran status, economic status, or party affiliation and gives Tallahassee politicians the sole power to dictate what is best for the citizens of Gainesville.

Charter Amendment 1 ruins Gainesville's reputation and will hurt our economy! It would destroy Gainesville's reputation as a community that is open and welcoming to everyone who comes here to work, learn, or visit. This will hinder our ability to attract new businesses, students, and visitors and will hurt our economy.

VOTE NO ON CHARTER AMENDMENT 1 on March 24!

Vote early March 16-21 at the Alachua County Administration Building, 12 SE 1st Street

Request an absentee ballot from the Supervisor of Elections at 352-374-5252
