Mayor Lowe, You've Been Flocked!

This extremely rare quadruple size flock of pink flamingos was spotted just this morning and was brought to you by Terry Fleming and your friends at Pride Community Center of North

Central Florida.

Do you have a friend who needs a good

flocking? You can have the great pleasure of flocking a friend with 20 beautiful pink flamingoes. For a \$20 donation we will place a frolicking flock of flamingoes in the front yard of one of your "dear" friend's houses. When your flocked friend wants to remove them from their yard, they call the flocking removal task force and, for a \$10 donation, we will remove them. "Insurance" against another flocking can also be purchased for a \$10 donation. "Insurance" to block an original flocking is a \$15 donation. Flamingo Flocking is a fundraiser for PCCNCF.

YOUR Center Needs YOUR Support!

Throughout the year, the Pride Community Center hosts many enjoyable events, including Show Bois, May Lei, Hairball, and, of course, the Pride Festival, Parade, Picnic, & Awards Dinner.

However, providing resources and creating successful programs takes money. **The Center is completely supported by the people of this community and cannot stay open without long-term committed support.**

Enclosed you will find a PCCNCF Membership Form. If you are not a member of the center, please join today. Your contribution will help the Center continue to grow and succeed. If you are already a member, please give this form to another and encourage them to support the Center as well.

If you have any questions regarding your membership status, please contact us at pridectr@bellsouth.net or 352-377-8915.

Donations to PCCNCF are tax deductible as charitable contributions for federal income tax purposes.
