## Logo Design Contest

The Lesbian Health Project is seeking a design from the community!

This is our vision (see image). The overall design would be circular and in the place of the words can be an image depicting the meaning behind the word.

The ideas we would like represented are the sense of interconnectedness of people as well as that of the mind, body, and spirit.

Please e-mail submissions to:  
[Womens.Health.Pride@gmail.com](mailto:Womens.Health.Pride@gmail.com) by June 15, 2012.

**\$25 gift card and 30 minute massage  
for the winning design!**

## Congratulations, Jennifer Wester!

Many thanks to all who participated in the Pride 2012 Logo Contest! Jennifer Wester's submission was chosen for this year's Pride logo. This image will grace our Pride 2012 t-shirts which will be on sale at the Pride Center and on our website.

## "Bully" at the Hipp

June 8<sup>th</sup> - 14<sup>th</sup>

Over 13 million American kids will be bullied this year, making it the most common form of violence experienced by young people in the nation. The new documentary film **BULLY**, directed by Sundance and Emmy-award winning filmmaker, Lee Hirsch, brings human scale to this startling statistic, offering an intimate, unflinching look at how bullying has touched five kids and their families.
